

Northside Summer School 2018

Days: Tuesday, Wednesday, and Thursday

Dates: June 19-21, June 26-28, July 10-12, July 17-19, July 24-26

Time: 9am-12 noon

Cost: \$450 for the five weeks or \$96 for each week + \$18.00 for the Vacation Stations workbook

We will use curriculum from BJU which reviews grade specific concepts from the 2017-18 school year and help students rise to the next grade level. Students will work in small groups with the guidance of the teacher. There will also be a social component and themes that go along with the curriculum. While summer school will benefit all students, it is recommended strongly for those students who are struggling with some concepts, need extra practice, and/or have difficulty staying focused.

Themes (focus on one per week):

North & South Poles and Alaska

Old West

Egypt

The Outback (Australia)

Jungle

We hope you will join us!

Mrs. Coffland & Mrs. Larson

Return by May 8th along with check made payable to NCS. If we do not get at least 6 participants, we will be unable to move forward, and checks will be returned.
