

Practical Strategies for Navigating the Digital Age

What: NCS Parent Information Night

Join a discussion on how media & technology effects our children. Find out “you’re not the only one!” Offer support, glean useful tips.

When: Thursday, Nov. 15
6:30-8:30pm

Where: in the church Fellowship Hall

Who: our Chaplain & Bible teacher, Mr. Joey Stontz

Teaching & Discussion Points

- understanding the current culture of technology
- learn about current trends in social media & technology
- how does the brain respond to media?
- balancing the need for technology
- what ARE the effects of video gaming?
- dealing with media addiction
- boundary suggestions for parents & guardians
- hope for parents!
