

SWEET, SWEET FEBRUARY

CANDY BAR FUN-RAISER

It's a SWEET month to raise money for our school!

All the Details:

- During the month of February, we are asking each student to sell 2 boxes of candy bars to raise money for our school. Each candy bar sells for \$1. From that, \$0.45 goes directly back to our school!
- If every student participates and sells at least 2 boxes of candy bars, our efforts will raise over \$3,000 for our school! That's truly FUN-tastic!
- Parents who are willing to have their students participate in this fundraiser will receive their child(s) 2 boxes at Parent-Teacher Conferences on Wednesday and Thursday (Feb. 4-5), or at another date of their choice.
- **All candy bar sale money is due Feb. 27th.** If you haven't yet sold all your candy bars, no problem! Simply write a personal check to the school for the remainder of the candy bars and then take all the time you need to sell them!

Let's Sweeten the Deal:

What's a Fundraiser without Awesome Prizes?

- Every Friday during the month of February, students will turn in the money they've earned so far in the envelopes provided.
- Money turn-in days are **February 13, 20, and 27.**
- Every Wednesday following the turn-in day, the class who has earned the most money the previous week will be announced in Chapel – and that class will get a pizza party for lunch that very day!

South Carolina Trip Idea:

For those going on the South Carolina trip in April, here's an additional fundraising idea for you: every box of candy bars that you sell beyond your 2nd box, we will apply the proceeds toward your personal trip fee. To sign up for this option, please contact Marjean Halverson at the school office.
